Special first floor apartment with terrace, garden and communal swimming pool.

This special first floor apartment in a stylish residential complex impresses with a generous room concept on approx. 169 m² of living space. The architecturally appealing complex consists of two terraced houses that blend harmoniously into the green surroundings. Each unit has its own entrance, ensuring a high degree of privacy.

A highlight of the apartment is the spacious terrace with adjoining garden - ideal for families or couples who appreciate a quiet and natural living atmosphere. Large windows allow plenty of natural light into the rooms and offer a wonderful view of the greenery.

An additional highlight of this residence is the communal swimming pool with changing room and sauna in the basement of house number 8, where residents can relax after a stressful day at work.

The apartment offers a total of five rooms, a guest WC and two spacious bathrooms, which are fitted with elegant tiles and timeless fittings. The living and dining areas are separated by two steps, giving the room a stylish structure and a cozy atmosphere. Practical built-in wardrobes in the bedrooms, hallway and living and dining area provide additional comfort. While the hallway area is fitted with high-quality tiles, carpeting in the bedrooms ensures a pleasant living atmosphere. External roller shutters on the large windows provide optimum protection from the sun and privacy.
