All about the location

Gallio: The Pearl of the Asiago Plateau

Gallio, an enchanting town on the Asiago Plateau, is one of the most popular destinations for those who want to live in contact with nature, among breathtaking landscapes and a wide range of tourist activities, both summer and winter. Located just a few minutes from Asiago, Gallio offers the perfect balance between the quietness of the mountains and the proximity to the main services, in a welcoming and well-connected context.

Winter Tourism

During the winter season, Gallio turns into a paradise for snow sports lovers. The resort offers numerous ski slopes, both for alpine and cross-country skiing, with modern and well-equipped facilities. The ski area is connected to that of Asiago, offering a wide variety of slopes for skiers of all levels.

In addition to skiing, Gallio is also an ideal destination for snowshoeing, snowboarding and sledding. Hikes in the snowy forests and snowmobile rides allow you to fully immerse yourself in the magical winter atmosphere of the Plateau.

Summer Tourism

In summer, Gallio is a perfect base for hiking or mountain biking. Scenic trails through pastures and forests offer spectacular views of the surrounding peaks and green mountain landscapes. Excursions can be arranged to mountain huts and malghe (shepherd's huts) where you can sample typical local products, including the famous Asiago cheese.

For adventure lovers, Gallio also offers more challenging trekking routes, such as those leading to the trenches and forts of the Great War, making this town a place rich in history and culture. There is no shortage of adventure parks for children, picnic areas and lakes for sport fishing.

Convenience and connections

Gallio is strategically located to provide tranquility and, at the same time, remarkable convenience in connections. Just a 5-minute drive takes you to Asiago, the beating heart

of the plateau, full of services, stores, restaurants and cultural attractions.

Thanks to a well-developed road network, Gallio is easily accessible from the main cities in the Veneto region:

- Vicenza: about 1 hour (60 km)
- Padua: about 1 hour and 30 minutes (90 km)
- Treviso: about 1 hour 30 minutes (95 km)
- Venice: about 1 hour 45 minutes (120 km)

The roads are well maintained and passable in all seasons, ensuring accessibility even during winter. The proximity to the A31 highway (Piovene Rocchette exit) facilitates connections with the Veneto plain and other cities in northern Italy.

Gallio represents an oasis of tranquility and well-being for those who wish to experience or spend unforgettable vacations among nature, sports and relaxation. Whether a winter retreat for sportsmen or a summer base for mountain lovers, Gallio and its territory offer endless possibilities for all ages.
