A first impression

Adjacent to Buonarroti and Via Marghera, we offer a splendid independent unit within an Art Nouveau context, consisting of two period buildings. The apartment is accessed through an independent entrance from the quiet inner courtyard. The property has an area of 312 square meters, distributed on two levels, plus a beautiful tavern in the basement. On the ground floor is a large living area consisting of a living room, study (or possibly bedroom) and dining room, as well as an eat-in kitchen with a magnificent period sink. The upper floor, accessed by internal staircase or elevator, houses the sleeping area, consisting of two double bedrooms, each with en-suite bathroom, a laundry area with bathroom, a balcony and a terrace. Currently, the solution has three bedrooms, but offers flexible space that can be easily modified as needed. The house has beautiful parquet floors and period ceilings that give great visual impact and character to the rooms, enhancing the original style of the property. In the basement there is a spacious and versatile basement, perfect for multiple uses, such as hobby area, fitness area or cinema room. The property is completed by a pleasant courtyard, ideal for creating a quiet and enjoyable corner, immersed in silence. Pertinent uncovered parking space.
