A first impression

Lovely three-room apartment carved out of a characteristic rustic building, located on the second floor with a separate entrance and charming lake view through the picturesque old town of Albisano. The apartment is distinguished by its spacious living room with open kitchen and a small panoramic balcony. The sleeping area consists of two double bedrooms, while a full bathroom serves the entire dwelling. Comfort is ensured by the modern underfloor heating system and system with air conditioning. The outdoor spaces represent a real strength of the property: the fenced shared garden has a practical barbecue area and is embellished with beautiful plantings that include an olive tree, ornamental roses and a majestic century-old tree. Two convenient private parking spaces complete the proposal, allowing you to forget about parking problems. From the technical point of view, the property is in a good state of maintenance thanks also to the roof completely redone in 2012. The solution lends itself perfectly both as a main residence and as a tourist-receptive investment. The location is really strategic: immersed in the magic of Lake Garda, the apartment offers easy access to the beautiful beaches for days of pure relaxation, while sports lovers can indulge in surfing, kitesurfing and sailing. The surrounding mountains offer endless possibilities for hiking and biking. Connections are excellent: Gardaland Resort is only 20 km away, Verona can be reached in 30 km while Venice is 150 km away. A unique solution that combines traditional rustic charm with modern comfort, perfect for those seeking tranquility without sacrificing services, in one of the most desirable and renowned locations on Lake Garda.
