Una prima impressione

Detached New-Build 'Kaakberg' Home in Waterland, Near Amsterdam Nestled in the charming village of Zuiderwoude—just 15 minutes from the heart of Amsterdam—this distinctive detached home blends traditional 'jaakberg' architecture with modern sustainability. Built in 2019 with a strong focus on quality, energy efficiency, and comfort, the home features a heat pump, underfloor heating, and floor cooling, earning it an A energy label. Offering approximately 160 m² of living space, this home includes four spacious bedrooms, a bright and airy living room, and a private driveway. It's perfect for families or couples seeking a tranquil, green lifestyle without sacrificing easy access to the city.

Dettagli dei servizi

The entrance is located on the side of the house, leading into a spacious hallway with a staircase, a storage room with meter cupboard, a technical room with washing machine connection, and a separate toilet.

Double doors open into a generous, light-filled U-shaped living room with sweeping views over the surrounding meadows and French doors leading to the backyard. At the front of the house, the sleek, modern kitchen with a central cooking island flows seamlessly into a spacious dining and work area, which also features French doors opening to the side garden and the private driveway.

First Floor: the landing offers space for additional built-in storage. This floor includes three bright and spacious bedrooms, each with Velux skylights, and a modern bathroom equipped with a bathtub, walk-in shower, washbasin, and a second toilet.

Second Floor: the top floor boasts a large fourth bedroom with abundant natural light from the skylights—perfect for use as a guest room, home office, or creative studio.

Tutto sulla posizione

Zuiderwoude is a quintessential Dutch village located in the municipality of Waterland, between Monnickendam and Broek in Waterland. Known for its narrow lanes, historic farmhouses, and picturesque wooden homes, the village is surrounded by scenic polders, lakes, and canals. It's an ideal spot for those who value the peace of rural living with the conveniences of Amsterdam nearby. The local primary school, "De Overhaal," also features a beautifully maintained school garden, open to the entire village community. Just 100 metres from the house, there is a swimming jetty on the Kerk Ae. The water is suitable for swimming in summer and ice skating in winter, as well as for paddleboarding and canoeing. It provides direct access to the water and the surrounding nature of the Waterland area.
